Send Ross Your Prayer Requests

If you would like a prayer request taken to the Western Wall, please use the button below to send an email to the Editor while he is in Israel. Some prefer to send a detailed note, while others prefer to simply send a name. Either is fine.

YHVH answers prayers. Our prayer is that your petition is granted, and we will be happy to pray with you about yours.

United Israel Wants You....

To Volunteer!

I will be supervising a clean up operation at Biblical Tamar Park in the wilderness between July 2nd-July 24th. I am seeking volunteers to join me at Biblical Tamar Park. One need not stay the entire time to be part of this exciting opportunity. The park is in need of volunteers to do all sorts of work. So far I have 4 volunteers including my 16 year old son Tobias. Presently I have flights arriving on the afternoons of July 1st and July 5th. Ideally, volunteers would plan to arrive on those days if possible to minimize my trips to the airport.

The staff will be working with me on various logistical things over the next couple of weeks related to our volunteer experience.

I have a couple of people who want to volunteer but are in need of sponsorship. If you would like to contribute towards airfare for someone, please **contact me**. This would be a great way to bless the park, and to provide someone with an opportunity to do the same. One young man wants to come but has so far only been able to arrange for half of the required amount of his airline ticket. I am also considering a few excursions for volunteers and you may want to contribute towards admission fees. You can contact Blossoming Rose if you want to donate towards the park in general, but be sure and message me if you want your donation to go directly towards this summer project. You may also go directly to our **donation page** and donate towards the project. Simply specify in the note section that you would like to make a special donation to our BR Volunteer Project.

Here is **[the link to the volunteer page](#)** to give you a bit more detail about some of the tasks here at the park. As you will see, the tasks are varied and range from those requiring skilled labor to manual duty type tasks. We have housekeeping needs, outdoor grounds maintenance, mechanical, building maintenance needs, painting, etc. There is plenty for anyone who wants to help. All participants will need to complete the volunteer form

help. All participants will need to complete the volunteer form.

Again, we have a unique opportunity here. The leadership team at Blossoming Rose has offered free room and board and food for those who volunteer at this time. Looking forward to spending some time in the Biblical wilderness. We shut down around here from Friday noon to prepare for the Sabbath and will not resume volunteer assignments until Sunday morning.

Biblical Tamar Park is located along the ancient spice route, in the Aravah, in the midst of the Biblical wilderness region. On this 55-acre park, there is a lovely dining facility, an active archaeology site, and a peaceful sukkah, perfect for morning and evening gatherings. The park is also home to an ancient tree, and is surrounded on all sides by large date palm trees, a mango orchard, and rolling, sand covered hills. Here, during our nights under the stars, participants will connect with each other, and experience a taste of life in the desert reminiscent of the patriarchal narratives. We will share insights into this special place about its ancient importance as well as its prophetic significance. This is a rare opportunity to get back to the feeling of life in Biblical times, but with a touch of modernity. At Biblical Tamar Park we will stay in clean, comfortable, caravans situated around the centrally located dining facility and sukkah.

Editor Participating in Training

As some of you know, I am currently participating in a course in Israel. The course is an Israel Immersion Training Course on counter terrorism and

cyber security, particularly the Israeli methods for detection, prevention, response and recovery. In the first two days, participants have received classroom presentations and location visits on a variety of subjects related to security in Israel.

Site visits have included a mall in Tel Aviv, the Port at Ashdod, a chemical plant, and a Fire Department in Petah Tikvah. Classes have covered a variety of subjects delivered by leaders in the security disciplines.

The class traveled to the Gaza Strip today. Those interested can watch a video of a lecture given on location at the Facebook link below. More information on the class will be published in a future edition of the Bulletin.

UI Live From Biblical Tamar Park

The goal is to go live from Biblical Tamar Park this coming Sabbath. This past Sabbath, Ross was participating in an orientation for the Training class and was unable to stream. We will update everyone if there are any changes.

From the Torah

The Torah reading this week, for those who follow the annual cycle of readings is Balak (Numbers 22:2-25:9). The associated Prophet reading is found in Micah 5:6-6:8.

"Remember the Torah of my servant Moses, the statutes and judgments that I commanded him at Horeb for all Israel"

(Malachi 4:4 English / Malachi 3:22 Hebrew).
